The WBIA Board and I want Nate's Office supervisor's to know of our genuine and complete appreciation for all of the everyday important (big and little) contributions he makes to the Westchester Town Center! I was going to write and tell you that by counting the ways he serves us, but I can't do that; there are too many to count. In his world where there is always another problem to address, where we never get "everything done," it's too easy to fail to acknowledge those that do the hard work we depend upon everyday. We depend on Nate. He has never failed us. He is a credit to the 11th District and Councilman Bill Rosendahl. We want the entire 11th District Council Office to know of our heart-felt appreciation for his work. Thank you from all of us!

(This email has been copied to all of the WBIA Board of Directors who join me in this message.)

THANK YOU NATE KAPLAN!!

Donald and Nate,

We are applying for the permit but I need a copy of the motion or we can only permit for 45 days. Is there a signed copy of the motion you can provide to me for this purpose?

Thanks

Thanks. I'll send George in to see when we can get back on the poles, then.

George. Can you tell me what your group has been able to do? How quickly can we get back on the poles?

Thanks.
